Dear Sir/Madam

Ruighoek Chrome Project - Sale Agreement

As previously announced on 23 February 2009, Chrome Corporation Ltd ("Chrome") and AMCOL International Corporation ("AIC") agreed to vary the conditional share sale agreement dated 5 March 2008 between Chrome, Chrome Holdings Limited and AIC whereby AIC or its nominated buyer ("AMCOL") agreed, among other things, as Stage 1 Completion, to purchase 53% of the equity in Bonmerci Investments 103 (Pty) Ltd, the holder of 74% of the shares in Batlhako Mining Ltd ("Batlhako"), the registered holder of the Ruighoek Chrome Project.

Chrome is pleased to announce that Stage 1 Completion has now occurred. AMCOL and its South African partners have taken full operational control of the Ruighoek Chrome Project and will continue the open cut mining of chrome ore from the LG6 and LG6A chrome seams commenced late last year.

The outstanding US\$6 million loan to AMCOL has now been repaid and provision has been made for payment of the Withholding Tax due to the South African Revenue Service for the assessable capital gain on the settled part of the transaction.

Yours faithfully

Brian Thomas
Managing Director
Chrome Corporation Ltd
