Important Information

Your vote is important

The business of the Annual General Meeting affects your shareholding and your vote is important.

Voting in person

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

Voting

Votes at the Annual General Meeting may be given personally or by proxy, attorney or representative.

Proxies

- Each member has the right to appoint a proxy.
- A proxy may but need not be a Shareholder of the Company.
- A member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.
- The instrument appointing the proxy must be in writing, executed by the appointer or his attorney duly authorised in writing or, if such appointer is a corporation, either under seal or under hand of an officer of his attorney duly authorised.
- The instrument of proxy (and the power of attorney or other authority, if any, under which it is signed) must be lodged by person, post, courier or facsimile and reach the Registered Office of the Company or the Share Registry at least 48 hours prior to the Meeting. For the convenience of Shareholders a Proxy Form is enclosed.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- (b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- (c) if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (d) if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).
- (e) If the Chairman is to act as your proxy in relation to Resolution 1 (whether by appointment or default) and you have not given instructions on how to vote by marking the appropriate box in the voting directions section of the proxy form, the proxy form expressly directs and authorises the Chairman to cast your vote for Resolution 1 as the Chairman thinks fit. This express authorisation is included because without it, the Chairman would be precluded from casting your votes, as the Resolution is connected with the remuneration of Key Management Personnel.

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (b) the appointed proxy is not the chair of the meeting; and
- (c) at the meeting, a poll is duly demanded on the resolution; and
- (d) either of the following applies:
 - (i) the proxy is not recorded as attending the meeting;
 - (ii) the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Voting by Attorney

A Shareholder may appoint an attorney to vote on their behalf. For an appointment to be effective for the Meeting, the instrument effecting the appointment (or a certified copy of it) must be received by the Company in one of the methods listed above for the receipt of Proxy Forms.

Entitlement to Vote

For the purposes of section 1074E(2) of the Corporations Act 2001 and regulation 7.11.37 of the Corporations Regulations 2001, the Company determines that members holding ordinary shares at 5.00pm AWST on 25 November 2015 will be entitled to attend and vote at the Annual General Meeting.

Corporations

In order to vote on behalf of a company that is a shareholder in the Company, a valid Appointment of Corporate Representative form must be either lodged with the Company prior to the General Meeting or be presented at the meeting before registering on the Attendee Register for the General Meeting. An Appointment of Corporate Representative form is enclosed if required.

Explanatory Memorandum

This Explanatory Memorandum has been prepared for the Shareholders of Pacific Niugini Limited (**Company**) in connection with the business to be conducted at the Annual General Meeting of the Company to be held at QV.1 Conference Centre, Training Room 2, Level 2, 250 St Georges Tce, Perth WA on Friday, 27 November 2015 commencing at 10.00am Perth time.

This Explanatory Memorandum should be read in conjunction with the accompanying Notice of Annual General Meeting.

The Directors recommend that Shareholders read this Explanatory Memorandum before determining whether or not to support the Resolutions.

Terms used in this Explanatory Memorandum will, unless the context otherwise requires, have the same meaning given to them in the Glossary as contained in this Explanatory Memorandum.

Financial Reports

The Corporations Act requires the Financial Statements, Directors' Report and Auditor's Report of the Company for the year ended 30 June 2015 to be tabled at the Annual General Meeting.

Shareholders will be given an opportunity to ask questions of the Directors in relation to the financial statements of the Company at the Annual General Meeting.

For those Shareholders who have elected not to receive a hard copy of the Annual Report, it can be accessed on the Company's website at: <http://www.niugini.com.au>

The Annual Report is also available on the ASX website, www.asx.com.au code PNR

Resolution 1 – Adoption of Remuneration Report

1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the Directors of the Company.

The remuneration report sets out the Company's remuneration arrangements for the directors and senior management of the Company and its subsidiaries. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting irrespective of the outcome in relation to Resolution 2.

Resolution 2 – Re-Election of Mr Peter Cook as a Director

Resolution 2 seeks approval for the re-election of Mr Peter Cook as a Director with effect from the end of the Meeting.

Clause 13.2 of the Company's Constitution provides that at each annual general meeting one-third of the Directors (except the Managing Director or any alternate Director) or, if their number is not a multiple of three, then such number as is appropriate to ensure that no Director (except the Managing Director or any alternative Director) holds office for more than 3 years, shall retire from office. Clause 13.2 of the Company's Constitution also provides that the Directors who are to retire are those of the Directors who have been in office the longest since their last election.

Mr Cook retires from office in accordance with this requirement and submits himself for re-election as a Director.

The Board appointed Mr Cook as a Director on 31 August 2009.

Mr Cook is a Geologist (BSc (Applied Geology)) and a Mineral Economist (MSc (Min. Econ), MAusIMM with over 30 years of experience in the fields of exploration, project, operational and corporate management of mining companies. Mr Cook is the currently an Executive Director and the CEO of Metals X Limited.

During the past three years he has served as a director of the following public listed companies:

- Westgold Resources Limited (Appointed 19 March 2007);
- Kingsrose Mining Limited (Appointed 10 October 2010 – Resigned 21 August 2012); and
- Aziana Limited (Appointed 30 May 2011 – Resigned 10 September 2015).

Resolution 3 - approval for additional 10% placement capacity

3.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval to allow it to issue Equity Securities up to 10% of its issued capital over a period up to 12 months after the entity's annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

The Company is an Eligible Entity.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 3.2 below).

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without first obtaining Shareholder approval to the issue and without diminishing the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

3.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- is not included in the S&P/ASX 300 Index; and
- has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$30 million.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of quoted Equity Securities on issue, being the Shares.

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

A = the number of fully paid ordinary securities (Shares) on issue 12 months before the date of issue or agreement:

- (a) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
- (b) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (c) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under listing rule 7.1 and 7.4;
- (d) less the number of Shares cancelled in the previous 12 months.

D = 10%.

E = the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the issue date or date of agreement to issue that are not issued with the approval of holders of ordinary securities under ASX Listing Rule 7.1 or 7.4.

3.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph 3.3(a), the date on which the Equity Securities are issued.

Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and expiring on the first to occur of the following:

- (a) 12 months after the date of the Annual General Meeting; and
- (b) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

(10% Placement Capacity Period).

Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of shares on Issue *	Number of Shares issued under 10% Placement Capacity	Funds Raised based on an issue price of \$0.031 (50% decrease in the current share price)	Funds Raised based on an issue price of \$0.062 (current share price)	Funds Raised based on an issue price of \$0.094 (50% Increase in the current share price)
490,567,404 (Current)	49,056,740	\$1,520,759	\$3,041,518	\$4,611,334
735,851,106 (50% Increase)	73,585,111	\$2,281,138	\$4,562,277	\$6,917,000
981,134,808 (100% Increase)	98,113,481	\$3,041,518	\$6,083,036	\$9,222,667

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or script issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- Resolution 3 is approved.
- The current shares on issue are the Shares on issue as at 22 October 2015.
- The issue price set out above is the closing price of the Shares on the ASX on 22 October 2015.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Annual General Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. Only shares will be issued under the 10% Placement Capacity and none of the Company's unquoted options or performance rights have been exercised.

Shareholders should note that there is a risk that:

- (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (a) as cash consideration, in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration, development or mining expenditure on the Company's current assets and for general working capital purposes; or
- (b) as non-cash consideration for the acquisition of new resources assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (a) the purpose of the issue;
- (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (c) the effect of the issue of the Equity Securities on the control of the Company;
- (d) the Company's circumstances, including, but not limited to, its financial position and solvency;
- (e) prevailing market conditions; and
- (f) advice from corporate, financial and broking advisers (if applicable).

Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained approval under ASX Listing Rule 7.1A at the Annual General Meeting held on 25 November 2014.

During the 12 months preceding the date of this Meeting, the total number of Equity Securities issued is 176,604,265, representing 56.24% of the total number of Equity Securities on issue as at the commencement of the 12 month period.

Details of each issue of Equity Securities since 25 November 2014 are set out in Schedule 1.

Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

Resolution 4 – Change of Company Name

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

Resolution 4 seeks the approval of Shareholders for the Company to change its name to Pantoro Limited.

If Resolution 4 is passed the change of name will take effect when ASIC alters the details of the Company's registration.

The proposed name has been reserved by the Company and if Resolution 4 is passed, the Company will lodge a copy of the special resolution with ASIC following the Meeting in order to effect the change.

The Board proposes this change of name on the basis that it more accurately reflects the operations of the Company.

Resolution 5 – Issue of Shares in lieu of interest payable under Convertible Notes

5.1 General

On 14 July 2015, the Company announced that it had completed a capital raising by the issue of convertible notes to raise \$3,300,000 (**Convertible Notes**).

Under the terms of the Convertible Notes, interest is payable at a rate of 8% from the date of issue of the Convertible Notes 6 monthly in arrears until the earlier of conversion of the relevant Convertible Note and the Maturity Date of the Convertible Notes.

Under the terms of the Convertible Notes interest can be payable by the issue of Shares (subject to compliance with the Listing Rules) or cash at the election of the noteholder.

In order for the Company to issue Shares in lieu of interest payable under the Convertible Notes, Shareholder approval is required.

The deemed issue price at which Shares can be issued in lieu of interest payments is the volume weighted average trading price of Shares on ASX in the 10 business days prior the relevant interest payment date (or if no Shares are traded in that period then the lower of the \$0.06 per Share and the last price at which Shares are traded on ASX).

Accordingly, Resolution 5 seeks Shareholder approval for the issue of Shares valuing up to \$651,682.19 in lieu of interest under the Convertible Notes (at the deemed issue price calculated in accordance with the above).

If any Convertible Notes are converted prior to the Maturity Date or noteholders elect to receive interest in cash then the maximum amount of Shares to be issued under Resolution 5 will drop according.

5.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Placement:

- (a) the maximum number of Shares to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$651,682.19;
- (b) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur progressive;
- (c) the issue price will be the volume weighted average trading price of Shares on ASX in the 10 business days prior the relevant interest payment date (or if no Shares are traded in that period then the lower of the \$0.06 per Share and the last price at which Shares are traded on ASX). However, in compliance with the ASX Listing Rules the Shares will not be issued if the deemed issue price will equal an amount less than 80% of the average market price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made;
- (d) the Shares will be issued to the holders of the Convertible Notes that elect to receive Shares instead of cash for interest payments under the Convertible Notes. None of these subscribers are related parties of the Company;
- (e) the Shares issued will be ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (f) no funds will be raised from the issue as the Shares will be issued in satisfaction of the Company's obligation to pay interest under the Convertible Notes to the Convertible Note holders who elect to be paid their interest in Shares rather than cash.

If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
