Approvals received and works underway at Wagtail

Pantoro Limited (**ASX:PNR**) (**Pantoro**) is pleased to advise that the final approvals required for the commencement of underground works at Wagtail have been received.

Ground support works around the portal locations have commenced. Underground development is to commence immediately after completion of the support works. Initial development will be focussed on the Wagtail North decline, while high grade ore is developed via adits in Wagtail South. Decline development at Wagtail South will commence once the first ore level is accessed at Wagtail North.
